Nifskope's instructions, as found in this thread. I'll link to an answer here on the DIY install thread. If you need to install drywall again, I really appreciate having experienced technicians like this available... You won't have any issues getting your drywall installed.1. First off, I'd recommend getting a professional to install your drywall, as there's alot of bad info found on the forums. But you can easily do a DIY drywall installation yourself. <http://www.bethanykim.com/2012/08/15/drywall-installation/> Nifskope's instructions, as found in this thread.
